[A] Property development: A real estate hero wants to save the planet from the current wave of cheap and flimsy prefab houses and apartments. An investment from The Umbrella Corp will result in beautiful landscaped developments and happy residents.

[B] House removals: Our super strong house removalists will guarantee safe transport of your home contents in any situation, all it takes are your savings and family heirlooms. But hey, that's a small price to pay to be thin and happy, and you'll still have 1000 left for your retirement.

[C] Insurance: Proud homeowner is worried about disasters like flood or earthquakes damaging house and property. Insurance and planning will provide protection and peace of mind, resulting in resilience, savings and a happy families.

[D] All of the above.
